Anti-discrimination law or non-discrimination law refers to legislation designed to prevent discrimination against particular groups of people; these groups are often referred to as protected groups or protected classes. Anti-discrimination laws vary by jurisdiction with regard to the types of discrimination that are prohibited, and also the groups that are protected by that legislation. Commonly, these types of legislation are designed to prevent discrimination in employment, housing, education

Section 15 applies to all laws and law enforcement authorities in Canada, but the Charter does not grant immediate rights against the private sector. For example, a discrimination complaint against a restaurant would need to be filed under federal or provincial anti-discrimination legislation and not the Charter.
