Manual

least one corner of the showroom where the "go fast" guys could congregate and discuss the merits and time slips of the latest performance offerings. Competition being what it was, the manufacturers were looking for ways to entice potential buyers to choose their product over ever-

# Read Book 1968

## Mustang Embly

Manual  
Increasing offerings  
from the competition.

Some manufacturers  
tried to accomplish  
this with affordable  
prices, some tried  
fancy marketing  
schemes, and some  
created a look and a  
style that screamed  
"performance" even  
when standing still.

The 1969 Mach I was  
Ford's attempt to

# Read Book 1968

## Mustang Embly

Manual  
create a package and a style to match the performance of its recently released and very potent 428-ci Cobra Jet engine package. Displacing the still-available but more conservative GT trim, the Mach I included unique and innovative graphics and mechanical innovations including

shaker hood scoops,  
dual racing mirrors,  
deluxe interiors,  
competition  
suspension, dual  
chrome exhaust tips,  
and blacked-out  
hoods. The result was  
a wildly popular model  
that sold more than  
70,000 units,  
compared to slightly  
more than 5,000 GT  
models for the year.

# Read Book 1968 Mustang Embly

Each volume in the In Detail Series provides an introduction and historical overview, an explanation of the design and concepts involved in creating the car, a look at marketing and promotion, an in-depth study of all hardware and available options, and an examination of
