In a small town on the Baltic coast, in a community steeped in maritime industries and local mores, a teenager falls in love with his English professor. Christian looks older than his years, Stella younger than hers. The summer they spend together is filled with boat rides to Bird Island, secret walks on the beach, and furtive glances. The emotions that blossom between Christian and Stella are aflame with passion and innocence, and with an idealistic hope of a future. The two lovers manage to keep their mutual attraction concealed, but as the hot months comes to an end, their meetings become more difficult to conceal. Stella begins at the end, at Stella Petersen's memorial service, where Christian relives the memories he shared with his first love. There is nothing salacious about their relationship, nor is it just a case of a teenager's crush on his teacher. Their affair changes both Christian and Stella, allows them to expand their views, and pushes them out of social and familial constraints. Theirs is a tender love story of a time, and yet speaks to any time; it is actually through death that their love is transformed. The sparseness of Siegfried Lenz's narrative is reminiscent of the existential stringency of Ernest Hemingway. Only a master stylist of his standing could compose such a story that is equally modest and powerful, a work that leaves a lasting authentic impression, and that strives to comply with W.H. Auden's famous request, "Tell me the truth about love."

When ominous clouds begin to form on the horizon, Annie and her friends flee from the lake where they were spending the day, only to discover that Annie's cousin Gina has gone missing, and as the search for her wears on, accusations begin to fly.

An ingenious, revealing, and charming tale about the invention of a popular German sidewalk food by a woman who met, seduced, and held captive a deserter in April, 1945, just before the war's end.

Voorts een alfabetische lijst van Nederlandsche boeken in België uitgegeven.

Research Paper (undergraduate) from the year 2013 in the subject German - German as a Foreign Language / Second Language, grade: 8,0, Leiden University (ICLON), language: Dutch, abstract: In deze rapportage zullen we in eerste instantie met behulp van het ERK (2001), Westhoff (2008) en Kwakernaak (2009) tot een instrumentarium proberen te komen, waarmee we de leergangen kunnen analyseren. Vervolgens zullen we ieder één Nederlandse en één Duitse leergang analyseren en antwoord geven op volgende deelvragen: (1) Is het behandelde grammaticaonderwerp gekoppeld aan een interactief/productief ERK-doel? (2) Wordt het grammaticaonderwerp vooraf (receptief) geïntroduceerd met een levensechte input? (3) Hoe wordt grammatica uitgelegd: deductief of (geleid) inductief, en wordt daarbij de input gebruikt? (4) Hoe wordt grammatica geïntroduceerd/uitgelegd: metatilig of in leerlingentaal? (5) Zijn de verwerkingsopdrachten inhoudelijk gekoppeld aan het ERK-doel en/of de input van het hoofdstuk? (6) Op welk beheersingsniveau liggen de oefeningen? De uitkomsten van onze analyse zullen we ten slotte bespreken en uiteindelijk antwoord geven op onze hoofdvraag: Draagt grammaticaonderwijs – zoals het in leergangen Duits op niveau A1/A2 wordt aangeboden – bij aan het bereiken van de aangegeven interactieve/productieve ERK-doelen?

Siri Sellin, one of the first human clones, writes a bitter memoir of her childhood as the daughter of a famous and self-absorbed composer.
