Ten-year-old Ted just wants to fit in. But his wild, red hair is a target for school bullies. Fortunately, he has his best friend, Stacy, to take his mind off all the mean comments. But Stacy needs Ted's help to uncover the truth of a local urban legend--the elusive giant raccoon known as the Brookside Beast! However, after Stacy starts making new friends, Ted feels more alone and weirder than ever...until Ted discovers that he has a superpower! His hair can lift, stretch, and catch anything. For the first time in his life, Ted wonders if his unruly hair is a gift rather than a curse. Bed Head: A Hair-Raising Adventure is a story that children, parents, teachers and caregivers will find relatable. We've all woken up with a bad case of bed head at some point in our lives. Bed Head is the story of what happens to your hair at night while sleeping. It's quite an adventure!

Bed Head is the first book in the Your Hair is Magic series, focused on the beauty of big, curly, kinky, unruly, knotty hair. These books build confidence and promote self-love through representation and realism, one curl at a time. Future titles will cover topics such as wash day, styling, helmet hair, and beyond.

It's picture day, and the boy at the center of this charming story wants to make sure his picture is perfect. It seems as though everything's going wrong for him—he has bedhead, a stained shirt, and a big scowl on his face. But when he goes up for his picture, he thinks about his terrible appearance, and he smiles—because he secretly wants his picture to be the worst ever taken! But just as he smiles, the photo is snapped, and his plan is ruined when he takes a totally adorable picture. Perfectly paired with the larger-than-life silliness of Dan Santat's illustrations, this is a sweet and funny picture book about a classic school moment. Praise "The narrator's over-the-top voice makes reading aloud a must . . . high-energy comedy that involves only minor destruction."— Publishers Weekly
