Brief and visually appealing, RELG: WORLD, Second Edition, is designed to enhance students' learning experience at an affordable price. 4LTR Press solutions like this one give students the option to choose the format that best suits their learning preferences. This book-only option is perfect for students who focus on the textbook as their main course resource. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This wonderfully charming memoir, written when the author was 93, vibrantly brings to life an all-but-forgotten time and place. It is a moving tale of working-class life, and of the boundaries that can be overcome by love. "There are places that I have never forgotten. A little cobbled street in a smoky mill town in the North of England has haunted me for the greater part of my life. It was inevitable that I should write about it and the people who lived on both sides of its 'Invisible Wall.'" The narrow street where Harry Bernstein grew up, in a small English mill town, was seemingly unremarkable. It was identical to countless other streets in countless other working-class neighborhoods of the early 1900s, except for the "invisible wall" that ran down its center, dividing Jewish families on one side from Christian families on the other. Only a few feet of cobblestones separated Jews from Gentiles, but socially, it they were miles apart. On the eve of World War I, Harry's family struggles to make ends meet. His father earns little money at the Jewish tailoring shop and brings home even less, preferring to spend his wages drinking and gambling. Harry's mother, devoted to her children and fiercely resilient, survives on her dreams: new shoes that might secure Harry's admission to a fancy school; that her daughter might marry the local rabbi; that the entire family might one day be whisked off to the paradise of America. Then Harry's older sister, Lily, does the unthinkable: She falls in love with Arthur, a Christian boy from across the street. When Harry unwittingly discovers their secret affair, he must choose between the morals he's been taught all his life, his loyalty to his selfless mother, and what he knows to be true in his own heart.

"In the Heart of Old Canada" by William Charles Henry Wood. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

In The Colonial Idiom, David Potter and Gordon L. Thomas have selected representative and important speeches and exhortations delivered by famous Americans from the beginning of the Massachusetts Bay Colony to the signing of the Declaration of Independence. To a much greater extent than realized, public speaking and disputation were important features of daily life in Colonial America, because with the printing presses turning out only limited materials speeches were the major vehicles of expression. Thus the reader not only confronts the ideas and ideals that nurtured the founding of this nation but experiences the impact of freedom to

express them, the sense of individual worth pointing the direction of a people “unfolding into sovereignty.” The selections are arranged in five categories—those dealing with academic, legal, occasional, political, and religious matters. They are drawn from every stratum of colonial activity—from the classrooms, clerical studies, town meetings, provincial assemblies, and the bar. Great names abound in these pages, but, frequently, expounders of great ideas found here are unremembered figures whose works cannot be found easily elsewhere. The editors have carried out careful research on each speech to assure the authenticity of the text. They have added, for each selection, a note on the speaker and on the place where he delivered his address. This collection, made especially for students of rhetoric and public address, will engage the interest of all students of intellectual movements. The speeches here presented are indispensable sources of information to those readers wishing to follow the political and social ideas that made the history of this fateful century.

Cydney Chadwick's first full-length volume of distinctive short fictions is once again available. As Norma Cole wrote of these stories, "Transparency fascinates when what's underneath might look the same as what's on top. Cydney Chadwick's prose connects image and feeling, which, lifelike light-play, connect only in language. The verbal skin separating story and allegory dissolves under the reader's tongue".

This book will be controversial it will challenge some long held beliefs about race, history and religion some people will love it, some people will hate it everybody will learn from it.

This book helps you put it all together. The workbook is designed to help you build a proposal on your own. This product dissects the grant-writing process and breaks it down into its component parts. When you finish this book, you should have a new grant proposal. The sections are designed using a professor's guide for grant-writing and the sample proposals are designed to be easy to read and understand. Once you finish with your proposal, a website is provided where a professional grant-writer can review your work's content. This tool is designed to dramatically increase your chances getting the grant you want. This book is ideal for a classroom situation and discounts are available for orders of 20 or more. Please contact the seller for large purchase discounts.

Musical Work Analysis is a holistic approach to the cognitive theory of the musical work. The book develops some of Roman Ingarden's concepts on the epistemology of an actually existing work of music. The author outlines an epistemological theory of the musical work by discussing the role of musical analysis in modern musicology, defining sources and objects of epistemological activity, formulating a systematization of analytical terms, issues and methods, both normative and descriptive, and addressing the relation between analysis and interpretation of a musical work. The book was published in Polish language in edition of the Foundation for Polish Science (Wroc?aw University Press, Wroc?aw 2003) and awarded by the Polish Ministry of National Education (2004).

A masterful teacher and an extraordinary life coach, Andriette Earl-Bozeman inspires you to be everything you can be-and much more than you thought you could be. Embracing Wholeness: Living in spiritual congruence uses fresh interpretations of familiar Bible stories and passages from scripture to illuminate our search for wholeness and wellbeing. You'll see yourself in these pages, and find motivation to seize the opportunity to attract and sustain greater wealth and prosperity in every aspect of your life. Discover positive, powerful qualities you didn't know you
