« La creatividad no tiene ni fondo ni techo aunque haya partes de su crecimiento que sean lentas. El ingrediente que se precisa es la fe —entendida como confianza férrea en uno mismo—. Este libro te muestra el camino y la fe necesarios para liberar la creatividad de las personas. Tómallo como un ejercicio para abrirte a una nueva perspectiva y libera al artista que llevas dentro ». Julia Cameron La mayoría de nosotros anhelamos ser más creativos y muchos creemos que conseguir serlo es imposible porque en realidad no lo somos. Este planteamiento es erróneo y lo único que provoca es que nuestra creatividad se quede dormida en nuestro interior junto a nuestra verdadera esencia. A menudo nos negamos el placer de soñar, de conseguir lo que siempre hemos deseado, de rechazar nuestros impulsos naturales, nuestra propia personalidad. El camino del artista nos enseña a crear con mayor libertad a través de la utilización consciente de una serie de herramientas que nos ayudan a terminar con el bloqueo creativo. Su efecto es similar al yoga y la práctica constante de la escritura diaria —prácticas matutinas—, los encuentros con el artista, el juego y una exhaustiva introspección guiada harán que modifiquemos nuestra conciencia y nos abramos a un nuevo horizonte imaginativo. Gracias a las enseñanzas de la reconocida escritora y artista Julia Cameron iniciaremos un camino creativo y espiritual que nos hará remontarnos a nuestra verdadera naturaleza, y en doce lecciones magistrales seremos capaces de rehabilitar nuestra creatividad, de entregarnos a la imaginación y encontrar el sentido de nuestra existencia. Un recorrido revelador por nuestras inseguridades y nuestros miedos, pero también por nuestros recuerdos, nuestros objetivos y por lo mejor de nosotros mismos. Una obra necesaria para escritores, poetas, actores, pintores, músicos o para cualquier otro individuo creativo.

A six week Artist's Way Programme from legendary author Julia Cameron From the bestselling author of The Artist's Way comes a new, transformative guide to deeper, more profound listening and creativity. Over six weeks, readers will be given the tools to become better listeners—to their environment, the people around them, and themselves. The reward for learning to truly listen is immense. As we learn to listen, our attention is heightened and we gain healing, insight, clarity. But above all, listening creates connections and ignites a creativity that will resonate through every aspect of our lives. Each week, readers will be challenged to expand their ability to listen in a new way, beginning by listening to their environment and culminating in learning to listen to silence. These weekly practices open up a new world of connection and fulfilment. The Listening Path is a deeply necessary reminder of the power of truly hearing. In a time of unnecessary noise, listening is the artist's way forward.

"Bruce Lee was known as an amazing martial artist, but he was also a profound thinker. He left behind seven volumes of writing on everything from quantum physics to philosophy." — John Blake, CNN Named one of TIME magazine's "100 Greatest Men of the Century," Bruce Lee's impact and influence has only grown since his untimely death in 1973. Part of the seven-volume Bruce Lee Library, this installment of the famed martial artist's private notebooks allows his legions of fans to learn more about the man whose groundbreaking action films and martial arts training methods sparked a worldwide interest in the Asian martial arts. Bruce Lee Artist of Life explores the development of Lee's thoughts about Gung Fu (Kung Fu), philosophy, psychology, poetry, Jeet Kune Do, acting, and self-knowledge. Edited by John Little, a leading authority on Lee's life and work, the book includes a selection of letters that eloquently demonstrate how Lee incorporated his thought into actions and provided advice to others. Although Lee rose to stardom through his physical prowess and practice of jeet kune do—the system of fighting

he founded—Lee was also a voracious and engaged reader who wrote extensively, synthesizing Eastern and Western thought into a unique personal philosophy of self-discovery. Martial arts practitioners and fans alike eagerly anticipate each new volume of the Library and its trove of rare letters, essays, and poems for the light it sheds on this legendary figure. This book is part of the Bruce Lee Library, which also features: Bruce Lee: Striking Thoughts Bruce Lee: The Celebrated Life of the Golden Dragon Bruce Lee: The Tao of Gung Fu Bruce Lee: Letters of the Dragon Bruce Lee: The Art of Expressing the Human Body Bruce Lee: Jeet Kune Do

From the New York Times bestselling author of *Steal Like an Artist* and *Show Your Work!* comes an interactive journal and all-in-one logbook to get your creative juices flowing, and keep a record of your ideas and discoveries. The *Steal Like an Artist Journal* is the next step in your artistic journey. It combines Austin Kleon's unique and compelling ideas with the physical quality that makes journals like Moleskines so enormously popular. Page after page of ideas, prompts, quotes, and exercises are like a daily course in creativity. There are lists to fill in—Ten Things I Want to Learn, Ten Things I Probably Think About More Than the Average Person. Challenges to take. Illustrated creative exercises—Make a Mixtape (for someone who doesn't know you) and Fill in the Speech Balloons. Pro and con charts—What Excites You?/What Drains You? The journal has an elastic band for place-marking and a special pocket in the back—a "swipe file" to store bits and pieces of inspiration. Because if you want to steal like an artist, you need a place to keep your loot.

In *The Ikigai Journey*, authors Hector Garcia and Francesc Miralles take their international bestseller *Ikigai: the Japanese Secret to a Long and Happy Life* a step further by showing you how to find your own ikigai through practical exercises, such as employing new habits and stepping outside your comfort zone. Ikigai is the place where our passion (what we love), mission (what we hope to contribute), vocation (the gifts we have to offer the world) and profession (how our passions and talents can become a livelihood) converge, giving us a personal sense of meaning. This book helps you bring together all of these elements so that you can enjoy a balanced life. Our ikigai is very similar to change: it is a constant that transforms depending on which phase of life we are in. Our "reason for being" is not the same at 15 as it is at 70. Through three sections, this book helps you to accept and embrace that—acting as a tool to revolutionize your future by helping you to understand the past, so you can enjoy your present. Section 1—Journey Through the Future: Tokyo (a symbol of modernity and innovation) Section 2—Journey Through the Past: Kyoto (an ancient capital moored in tradition) Section 3—Journey Through the Present: Ise (an ancient shrine that is destroyed and rebuilt every twenty years) Japan has one of the longest life spans in the world, and the greatest number of centenarians—many of whom cite their strong sense of ikigai as the basis for their happiness and longevity. Unlike many "self-care" practices, which require setting aside time in an increasingly busy world, the ikigai method helps you find peace and fulfillment in your busy life.
