"This textbook covers all the theory and technology sections that students need to learn in order to pass level 1, 2 and 3 automotive courses from the Institute of Motor Industry, City & Guilds and other exam boards. It has been produced in partnership with ATT Training and is a companion to their online learning resources. Learning is made more enjoyable and effective as the topics in the book are supported with online activities, video footage, assessments and further reading. If you are using ATT Training materials then this is the ideal textbook for your course"--

This manual gives step-by-step instructions, linked to photos and illustrations to show how to do each job. It covers all Ford Ka models with 1299cc petrol engines and provides tips and shortcuts to make the job easier.
