When I discovered that my husband had been unfaithful to me and committed adultery, I was understandably angry and hurt. I immediately threw him out of the house and instructed my solicitor to begin divorce proceedings. My cheating spouse was full of remorse and pleaded with me to take him back but I stood firm. It was my sister Susan who changed my mind.I love my sister Susan very much but, by her own admission, she had always been a real bitch when it came to men. It was no surprise then for me to learn that she had a serious interest in Female Led Relationships. After several long and candid discussions and a few bottles of good wine, she convinced me that I could turn my current painful and destructive situation to my advantage. With her encouragement I agreed to halt divorce proceedings and allow my husband one last chance to be a part of my life, but only under certain very strict conditions.1)You will speak only when spoken to and then only in short polite sentences.2)You will address me as Ma'am and my sister as Mistress Susan.3)You will have no clothes except the uniforms I issue you with.4)You will never leave the house at any time.5)You will have no access to the internet, no phone, no TV and no radio.6)Upon entering a room where either of us is you will curtsy deeply. The same when you leave the room.7)You will obey all instructions instantly and acknowledge them with yes Ma'am or yes Mistress Susan and a small curtsy.8)Whenever I get home you will greet me at the door with a curtsy before dropping to your knees to kiss my shoes or boots.9)The uniforms I provide you with are to be properly worn and immaculate at all times as they will be subject to regular inspection.10)You will obey my sister as you do me. Either of us may punish you as we see fit. You will thank us before and after for correcting you and helping you to be a better maid.
