Get children outside with these fun activities which form the perfect introduction to birds Encouraging children to get outside, this activity book includes a general introduction to the world of birds, plus an array of fascinating facts, a guide to what different birds eat, and how to listen to birdsong. At the heart of the book are the easy and hard "what can you spot" pages with a colorful picture gallery of birds to find and tick off. When children aren't out and about looking for birds, there are 30 bird stickers to use on the fold-out garden play scene at the back of the book.

Five Birds on a Wire is sweet melodic children's book that promotes scientific observation through a child's senses and encourages the appreciation for the little changes that we experience in nature through the weather. This read-alone / read-aloud book will inspire young readers and adults alike to look a little deeper and consider some of the everyday blessings that surround us. This positively uplifting book will surely bring smiles to little faces. Category: Nature Books for Children ----- Characters: A little girl and five great kiskadee birds. Details & Messaging: This children's nature book is wonderful for kids of all ages. It emphasizes on a few core concepts that are taught through nature: enjoy the simple things, accept uncontrollable changes with a positive attitude, observe and learn from nature through the senses (sight, hearing, touch, taste), meteorology/observation of the weather, sitting still/standing still and much more. Kids Nature Book.
