Principles Requires Minority Rights.  
Democracy therefore requires minority rights equally as it does majority rule. Indeed, as democracy is understood today, the minority's rights must be protected no matter how alienated a minority is from the majority society; otherwise, the majority's rights lose their meaning.

What it all comes down to is that democracy requires minority rights as much as it does majority rule. As understood today, that means the minority's rights must be protected, no matter how alienated they are from the majority of society. If that doesn't happen, the majority's rights become meaningless.
