The shocking, never-before-told story of the bizarre world inside the legendary Playboy Mansion—and, finally, the secret truth about the man who holds the key—from one of the few people who truly knows: Hef's former #1 girlfriend and star of The Girls Next Door A spontaneous decision at age twenty-one transformed small-town Oregon girl Holly Sue Cullen into Holly Madison, Hugh Hefner's #1 girlfriend. But like Alice's journey into Wonderland, after Holly plunged down the rabbit hole, what seemed like a fairytale life inside the Playboy Mansion—including A-list celebrity parties and her own #1-rated television show for four years—quickly devolved into an oppressive routine of strict rules, manipulation, and battles with ambitious, backstabbing bunnies. Life inside the notorious Mansion wasn't a dream at all—and quickly became her nightmare. After losing her identity, her sense of self-worth, and her hope for the future, Holly found herself sitting alone in a bathtub contemplating suicide. But instead of ending her life, Holly chose to take charge of it. In this shockingly candid and surprisingly moving memoir, this thoughtful and introspective woman opens up about life inside the Mansion, the drugs, the sex, the abuse, the infamous parties, and her real behind-the-scenes life with Bridget, Kendra, and, of course, Mr. Playboy himself. With great courage, Holly shares the details of her subsequent troubled relationship, landing her own successful television series, and the hard work of healing, including her turn on Dancing with the Stars. A cautionary tale and a celebration of personal empowerment, Down the Rabbit Hole reminds us of the importance of fighting for our dreams—and finding the life we deserve.

French women seem inherently more confident in their bodies, able to embrace the sensuality of life and love. What's their secret? Lingerie. Yet, despite an insatiable curiosity for all things French, most women still find lingerie an enigma, a tangled mélange of silk and lace, and are confused about how, when, and where to wear it. (Hint: it's not just for special occasions.) Many aspire to having a drawer full of silky, lacy undergarments, but have no idea where to start: How should my bra fit? How exactly do I wear a garter belt? Do bras and knickers always have to match? With illustrations by French lingerie designer Paloma Casile, *Paris Undressed: The Secrets of French Lingerie* will help women feel at ease with their figures and show them how to integrate a lingerie lifestyle à la française to enhance their own femininity, confidence, and joie de vivre. It will transform the way women perceive their undergarments - and their bodies - and reveal how to co-ordinate a lingerie wardrobe to reflect personality and to meet lifestyle needs with the right dose of reverie. The book also includes a hand-selected guide to the most confidential addresses and lingerie boutiques in Paris, and discloses where to find the perfect bra, couture camisole or cheeky knicker. *Paris Undressed* goes behind the seams, combining cultural references, expertise, and practical advice to inspire every woman to reconsider her underwear drawer.
