Despite his puny appearance, Palahniuk's narrator is a highly trained martial artist, skilled in the "Striking Cobra Quick Kill maneuver", and an expert in improvising WMDs.

Review: Pygmy by Chuck Palahniuk | Books | The Guardian

"Chuck Palahniuk is William S. Burroughs and David Foster Wallace rolled into one." –San Diego Union-Tribune "Violent, outrageous, and darkly hilarious." –National Post "Palahniuk is brilliant at juxtaposing Pygmy's insane background with the madness of contemporary Western society." –The Washington Post Book World

Charles Michael Palahniuk (/ ˈpɑːləniːk /; born February 21, 1962) is an American freelance journalist and novelist who describes his work as transgressional fiction. He is the author of the award-winning novel Fight Club, which also was made into a film of the same name, starring Brad Pitt and Edward Norton.

Chuck Palahniuk - Wikipedia

Chuck Palahniuk, the author of the New York Times best-sellers Fight Club and Lullaby, is known for his edgy novels, and Rant is no exception. Palahniuk presents this fictional biography of Buster "Rant" Casey in a series of vignettes told by the people who knew him best.

Pygmy by Chuck Palahniuk | Audiobook | Audible.com

Chuck Palahniuk isn't for everyone and just because you watched Fight Club on DVD in the comfort of your Boca Raton condo doesn't mean that you are going to like the book... and even if you "liked" Fight Club, you still might be shocked and horrified by the reality or unreality of Palahniuk's imagination. Pygmy is an amazing piece of writing and Paul Garcia's narration in this audio version is nothing short of brilliant.

Pygmy Audiobook | Chuck Palahniuk | Audible.co.uk

CHUCK PALAHNIUK is the author of fourteen novels—Beautiful You, Doomed, Damned, Tell-All, Pygmy, Snuff, Rant, Haunted, Diary, Lullaby, Choke, Invisible Monsters, Survivor, and Fight Club—which have sold more than five million copies altogether in the United States.

Pygmy Quotes by Chuck Palahniuk - Goodreads

Pygmy, By Chuck Palahniuk It all gets a tad convoluted when 13-year-old Agent 67 infiltrates the US on a terrorist mission

Pygmy, By Chuck Palahniuk | The Independent

The basic premise for Pygmy is something similar, or even sillier: the narrative of a 13-year-old superspy (dubbed Pygmy by his hosts) sent from an unnamed totalitarian state and “now embedded...

Thus speaks Pygmy, one of a handful of young adults from a totalitarian state sent to the United States, disguised as exchange students, to live with typical American families and blend in, all the while planning an unspecified act of massive terrorism. Palahniuk depicts Midwestern life through the eyes of this thoroughly indoctrinated little killer, who hates us with a passion, in this cunning double-edged satire of an American xenophobia that might, in fact, be completely justified. For Pygmy and his fellow operatives are cooking up something big, something truly awful, that will bring this big dumb country and its fat dumb inhabitants to their knees.

“Begins here first account of operative me, agent number 67 on arrival midwestern American airport greater ____ area. Flight _____. Date _____. Priority mission top success to complete. Code name: Operation Havoc.” Thus speaks Pygmy, one of a handful of young adults from a totalitarian state sent to the United States, disguised as exchange students, to live with typical American families and blend in, all the while planning an unspecified act of massive terrorism. Palahniuk depicts Midwestern life through the eyes of this thoroughly indoctrinated little killer, who hates Americans with a passion, in this cunning double-edged satire of a xenophobia that might, in fact, be completely justified.

A gang of adolescent terrorists, a spelling bee, and a terrible plan masquerading as a science project: This is Operation Havoc. Pygmy is one of a handful of young adults from a totalitarian state sent to the US disguised as exchange students. Living with American families to blend in, they are planning an unspecified act of massive terrorism that will bring this big dumb country and its fat dumb inhabitants to their knees. Palahniuk depicts Midwestern life through the eyes of this indoctrinated little killer in a cunning double-edged satire of American xenophobia.

Agent Number 67, nicknamed Pygmy for his diminutive size, arrives in the United States from his totalitarian homeland. An 'exchange student' he is welcomed with open arms by his Midwestern host family. Simpsons-spinoffs, they introduce him into the rituals of postmodern American life, which he views with utter contempt. Along with his fellow operatives, he is planning something big, something truly, truly awful, to bring this big dumb country's fat inhabitants to their knees.

Think adolescence is hell? You have no idea... Welcome to Dante's Inferno, by way of The Breakfast Club, from the mind of American fiction's most brilliant troublemaker. "Death, like life, is what you make out of it." So says Madison, the whip-tongued 11-year-old narrator of Damned, Chuck Palahniuk's subversive homage to the young adult genre. Madison is abandoned at her Swiss boarding school over Christmas while her parents are off touting their new film projects and adopting more orphans. Over the holidays she dies of a marijuana overdose—and the next thing she knows, she's in Hell. This is the afterlife as only Chuck Palahniuk could imagine it: a twisted inferno inspired by both the most extreme and mundane of human evils, where The English Patient plays on repeat and roaming demons devour sinners limb by limb. However, underneath Madison's sad teenager affect there is still a child struggling to accept not only the events of her dysfunctional life, but also the truth about her death. For Madison, though, a more immediate source of comfort lies in the motley crew of young sinners she meets during her first days in Hell. With the help of Archer, Babette, Leonard, and Patterson, she learns to navigate Hell—and discovers that she'd rather be mortal and deluded and stupid with those she loves than perfect and alone.

The hyperactive love child of Page Six and Whatever Happened to Baby Jane? caught in a tawdry love triangle with The Fan. Even Kitty Kelly will blush. Soaked, nay, marinated in the world of vintage Hollywood, Tell-All is a Sunset Boulevard-inflected homage to Old Hollywood when Bette Davis and Joan Crawford ruled the roost; a veritable Tourette's syndrome of rat-tat-tat name-dropping, from the A-list to the Z-list; and a merciless send-up of Lillian Hellman's habit of butchering the truth that will have Mary McCarthy cheering from the beyond. Our Thelma Ritter-ish narrator is Hazie Coogan, who for decades has tended to the outsized needs of Katherine "Miss Kathie" Kenton—veteran of multiple marriages, career comebacks, and cosmetic surgeries. But danger arrives with gentleman caller Webster Carlton Westward III, who worms his way into Miss Kathie's heart (and boudoir). Hazie discovers that this bounder has already written a celebrity tell-all memoir foretelling Miss Kathie's death in a forthcoming Lillian Hellman-penned musical extravaganza; as the body count mounts, Hazie must execute a plan to save Katherine Kenton for her fans—and for posterity. Tell-All is funny, subversive, and fascinatingly clever. It's wild, it's wicked, it's bold-faced—it's vintage Chuck.

New York Times Bestseller "An irreverent satirical fantasy about a sudden and violent upheaval...Think Tom Robbins channeling Jonathan Swift." –David Takami, Seattle Times Adjustment Day is an ingenious darkly comic work in which Chuck Palahniuk does what he does best: skewer the absurdities in our society. Geriatric politicians bring the nation to the brink of a third world war to control the burgeoning population of young males, while working-class men dream of burying the elites. Adjustment Day's arrival makes real the logical conclusion of every separatist fantasy, alternative fact, and conspiracy theory lurking in the American psyche.

Victor Mancini, a medical-school dropout, is an antihero for our deranged times. Needing to pay elder care for his mother, Victor has devised an ingenious scam: he pretends to choke on pieces of food while dining in upscale restaurants. He then allows himself to be “saved” by fellow patrons who, feeling responsible for Victor’s life, go on to send checks to support him. When he’s not pulling this stunt, Victor cruises sexual addiction recovery workshops for action, visits his addled mom, and spends his days working at a colonial theme park. His creator, Chuck Palahniuk, is the visionary we need and the satirist we deserve.

Madison Spencer, the liveliest and snarkiest dead girl in the universe, continues the afterlife adventure begun in Chuck Palahniuk’s bestseller Damned. Just as that novel brought us a brilliant Hell that only he could imagine, Doomed is a dark and twisted apocalyptic vision from this provocative storyteller. The bestselling Damned chronicled Madison’s journey across the unspeakable (and really gross) landscape of the afterlife to confront the Devil himself. But her story isn’t over yet. In a series of electronic dispatches from the Great Beyond, Doomed describes the ultimate showdown between Good and Evil. After a Halloween ritual gone awry, Madison finds herself trapped in Purgatory—or, as mortals like you and I know it, Earth. She can see and hear every detail of the world she left behind, yet she’s invisible to everyone who’s still alive. Not only do people look right through her, they walk right through her as well. The upside is that, no longer subject to physical limitations, she can pass through doors and walls. Her first stop is her parents’ luxurious apartment, where she encounters the ghost of her long-deceased grandmother. For Madison, the encounter triggers memories of the awful summer she spent upstate with Nana Minnie and her grandfather, Papadaddy. As she revisits the painful truth of what transpired over those months (including a disturbing and finally fatal meeting in a rest stop’s fetid men’s room, in which . . . well, never mind), her saga of eternal damnation takes on a new and sinister meaning. Satan has had Madison in his sights from the very beginning: through her and her narcissistic celebrity parents, he plans to engineer an era of eternal damnation. For everyone. Once again, our unconventional but plucky heroine must face her fears and gather her wits for the battle of a lifetime. Dante Alighieri, watch your back; Chuck Palahniuk is gaining on you.

Ever heard of a culling song? It’s a lullaby sung in Africa to give a painless death to the old or infirm. The lyrics of a culling song kill, whether spoken or even just thought. You can find one on page 27 of Poems and Rhymes from Around the World, an anthology that is sitting on the shelves of libraries across the country, waiting to be picked up by unsuspecting readers. Reporter Carl Streator discovers the song’s lethal nature while researching Sudden Infant Death Syndrome, and before he knows it, he’s reciting the poem to anyone who bothers him. As the body count rises, Streator glimpses the potential catastrophe if someone truly malicious finds out about the song. The only answer is to find and destroy every copy of the book in the country. Accompanied by a shady real-estate agent, her Wiccan assistant, and the assistant’s truly annoying ecoterrorist boyfriend, Streator begins a desperate cross-country quest to put the culling song to rest. Written with a style and imagination that could only come from Chuck Palahniuk, Lullaby is the latest outrage from one of our most exciting writers at work today.
