Caution: this book is a document from the future, on how the United States finally split into two independent republics in 2029, and its aftermath. The topic is so sensitive, that its futuristic author must be identified merely as John Doe, Ph.D. Dateline: 2029. The "One Nation, Indivisible," finally divides. - A political satire.

Find your roots! Start your search now. The author reviews a simple process that will

Get Free The Great History Search Great Searches

help everyone be successful in their genealogy research. The author draws from his genealogical research experiences to describe the resources that are available and how to use them to find your ancestors and their history. Both Internet and archival research efforts are covered. The first part of the book gives hints that will help make your beginning research successful. The author then reviews the major resources and documents used in Genealogy research and the last section covers useful hints that go beyond the basics. This is a "must have" book for the beginning genealogy researcher.
