Il 1917 viene quindi analizzato come anno-cerniera fra il vecchio e il nuovo mondo, mettendo a fuoco \u2014 fra gli eventi militari, politici e culturali di quell'anno \u2014 quelli che hanno prodotto dinamiche di lungo periodo, meritevoli di uno studio anch'esso di lungo periodo, non limitato agli anni del conflitto e dell'immediato dopoguerra. Si intrecciano cos\u00ec saggi che affrontano le diverse dimensioni storiografiche delle possibili analisi (internazionale, culturale, sociale, politica), cui si affianca anche una proposta di utilizzo didattico di queste riflessioni.

The Strangest Secret is much more than a wealth-building tool; it is a manifesto for self-actualization and purpose-driven work. Challenge yourself with Nightingale's thirty-day test for putting this secret success formula into action in your life, and chart your own path to productivity, financial independence, and personal fulfillment. Having grown up during the Great Depression, Earl Nightingale was fascinated by the difference between those who attain high levels of personal, professional, and financial success

and those who do not. He devoted his life to searching out a recipe for achievement—a means of predicting success in any area of life. Make this book your catalyst to the transformation you seek.

But just as he is feeling the most alone he has ever felt, he is soothed by his mother's loving hug. Timeless, touching, and beautifully produced, *The Hug* is a charming and important work for parents and children encountering the feeling of being different, together
